DATA TECHNOLOGY

M260 Hand-held terminal with Windows Embedded Compact 6 operating system

Robust, strong, individual

The hand-held terminal M260 has been developed consequently according to industrial requirements and offers a robust and intelligent solution for all retail in-store and logistic applications. The operating system Windows embedded compact CE.*6.0 R2, the powerful processor and long battery life, leave many opportunities for your individual solution.

Efficient and ergonomic

The balanced design, the clear quick-entry keyboard as well as the large TFT display ensure a quick and save operation even while wearing working gloves.

Fast and flexible

Synchronise your material and data flow by online communication between mobile computers and the network of your ERP or warehouse management system. ACD terminals communicate with up to 54Mbit/sec in modern WLAN networks according to IEEE 802.11 a/g or via a UMTS/GSM/GPRS mobile network. This enables you to perform real time stock management, as well as flexibility in service and a permanent monitoring.

M260

- Robust housing with integrated rubber protection
- 10 free programmable function keys
- Quick-entry keyboard
- High quality TFT display with touch screen
- Windows Embedded Compact 6
- Marvell XScale** Prozessor PXA 270
- WLAN

DATA TECHNOLOGY

M260 Hand-held terminal with Windows Embedded Compact 6 operating system

Housing:	ABS
Protection:	IP54
Operating temperature:	0°C up to 45°C
Dimensions:	219 x 62/83 x 39/41 mm (LxWxH)
Power supply:	Quick exchangeable storage battery 7,2 V / Li-Ion Docking station or battery charger
Display:	TFT display 3,5" 240 x 320 Pixel
Touchscreen:	Resistive, surface hardness min 3H
Keyboard:	Quick-entry keyboard, 15 mm key distance 15 keys in hard case design, 10 function keys
Barcode scanner:	Integrated in housing (lateral scanner keys)
Processor:	Marvell XScale** -Prozessor PXA 270
Memory:	64 MB Flash, 128 MB RAM, optional bigger memory available
Operating system:	Windows Embedded Compact 6
Interfaces:	WLAN according IEEE 802.11a/g USB OTG
Optional:	2D scanner, longrange scanner, illuminated keys UHF-RFID, MMC card, WPAN, UMTS, GPS
Accessories:	Docking station Ds260 Carrying bag Mounting device for vehicles Pistol grip UHF-RFID grip

pistol grip

illuminated keys
